Take a step back in time. Show the kids how you used to manually roll up the windows! But even if you simply appreciate some gorgeous classic cars (and some cool newer ones) join us for our first of two Cruise-Ins this summer.

Simply looking? The event is from 5pm-9pm in the lot nearest the patio. Stroll through history and enjoy an evening surrounded by cherry cars.

Want to showcase your car? Registration begins at 5pm and awards are at 9pm.

Dan "Boots" Longenette from the popular syndicated "Auto Smarts Radio" will be on hand to award trophies and talk shop.
