## Details

Companies wishing to have a food or business booth are asked to contact the office in January!

Registration begins at 10 AM at the Front Gate at Reading and Cornell Roads. Cars arriving before 10 will be directed away from the gate to avoid cars blocking through traffic.

In 2017, we made a huge improvement to the entry process! We have followed this arrangement ever since. Pre-registered vehicles will have a private entrance at Walnut Street off of Main Street from 8:30 AM until 10 AM. Cars to be registered and classed on the day of the show may enter the front gate at Reading and Cornell, beginning at 10 AM. No entrance for day of registration until 10 AM.

The Car Show is open to spectators from 9 AM to 3 PM. The Awards Presentation begins at 3 PM. For safety reasons, no cars are permitted to leave until the show ends at 3 PM.

DAY-OF REGISTRATIONS 10 AM to 12 Noon: \$25 per entry.

Cars that have not been pre-registered will no longer be able to enter the show at 9 AM as they have in past years. The new entry time for vehicles with day-of registrations is 10 AM on southbound Reading Rd. Please note, day-of registrations are not guaranteed parking in the appropriate car class.
