### Details

setting the time early so people can sit for a bit, enjoy relaxing for a little bit and let the cars cool off before the trip. leaving between 3-4. expecting to get back to miejers around 6, the time could vary depending on traffic and such.

starting in lancaster, meeting at the tractor supply on east side agian . leaving out down 664 to logan, to 180, down through hicking hills region. back up 56 to 159, through amanda, up 33 to coo path, back down 33 to miejers ending point agian.

meeting in same spot as last time, I will post the adress in the event page. as well as the route and directions. if anyone wants a printed out version of route please let me know and I'll bring you one. please study or save the route so you know where your aoina. this is a cruise. not a
