

AUG SUNDAY TRACTION MEET #2

23 Public · Hosted by Nadia Mirza

Details

What's up Folks! Every Sunday, me and my partners are putting together the Sunday Traction meets. The goal is to create the car community into a much more family friendly and respectful community. We are all here to respect and enjoy everybody's ride.

Whether we have 3, 30, or 300 people at these meets, we want to make the best out of what we get. Any vehicle is welcome to these meets.

Every meet we will have Dan's Deli as a food truck here. (Absolutely delicious food).

At these meets, absolutely NO disrespect, no burnouts, 2 stepping, drifting, or crazy excessive revving. We want to leave a good impression of the car community, as the owner of this lot has been so kind to let us use it.

Please let everyone of your fellow car buddies know about these meets, and let's make them a great turnout!
