Hey guys! The United Speed family is back with another event. We are here with our Wednesday WIP meet which we do every other Wednesday.

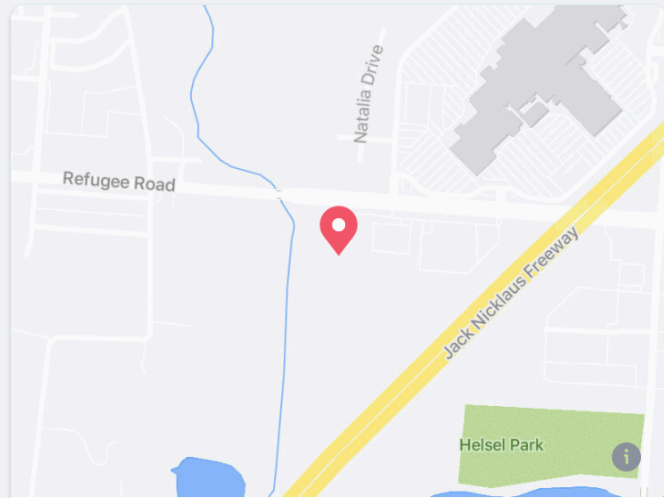

Thank you guys all SO SO SOOO much for coming out to our last meet! It was such an amazing time meeting everyone. We don't care who comes out or what kind of cars come out. It's the fact that you guys take the time to come out! We appreciate that so much, and hope you guys enjoy the meets just as much as we do.

As we've had a couple of incidents, if you are disrespectful by ANY means, you will be kicked out and banned from any future meets which we host. This includes ALL the meets at Refugee road, as well as the NINJA MEETS which we also host at Ninja. We have your plate, and we know who you are if you decide to be disrespectful. We want to host respectful meets which bond the car scene no matter what you drive. We are all equal, and we all want to share a passion.

We consider all of you who come out part of our United Speed family. We will be selling Merch, so please let us know if you would like to buy anything!(t shirts, hats, sweatshirts, etc)

As always, Great seeing everybody and hope to see you all on Wednesday!
