- Price: Free · Duration: 4 hr
- Public · Anyone on or off Facebook

I know everyone is itching to get their rides out. Let's kick it off April 10th In Greenfield, Ohio! Only thing different from last year is there won't be a meet/ start spot. I only used the school address as the location because it's right in the center of town for people needing directions to Greenfield. Just show up and cruise and enjoy the evening. Kick the tires, check the fluids, knock the dust off and bring the rides out to kick the season off here in Greenfield, Ohio!
