Lou, Judy and Dave Conkey were big into racing and car shows. In March of 2020 they contracted Covid-19 and passed away. To honor their memory, we will be having a "Conkey Classic" show. The money raised from the event will be donated to TWO families who had their lives flipped upside down due to covid

Join us for this premier event and register anything with a motor! Whether it be your classic car, truck, motorcycle, decorated SUV, or racecar - all things are welcome! For \$40 you can register using this link - <https://www.surveymonkey.com/r/9VJCS3Y>. All registrations include a T-shirt and a bunch of other goodies and freebies!

We have several winning categories (that will be voted on by the crowd), a great DJ, 50/50 raffle, gift basket raffles, kids activities and lots of fun planned! There is no entry fee for spectators. T-shirt's, food, and drinks (and restrooms) will be available!

In the event Covid is still a big thing, social distancing and recommended guidelines will be followed.

As the event gets closer, we will be sharing more details and sneak peaks! We hope you are able to join us
