WE ARE BACK! Let's kick off the 2021 Cruise Night year strong. Thanks to our biggest supporters RNR Tire, we will be able to use their parking lot along with Hardware Exchange and as always you can park along Sandusky Street. We will be adding a different charity collection each month to help out the local community. This months charity will go to Delaware Humane Society, so we will have a collection box set up at RNR Tire, so stop by and make a donation. So mark your calendar, and get your ride ready for spring and come join us! As always it'll be every 3rd Saturday of every month through October. Let this year be bigger and better than last year. LET'S HAVE SOME FUN AND CRUISE! [See Less](#)
