Save the date! May 8th we will be having our first Car show of 2021.

We will have a morning meet and greet here at Performance Auto Spa. We will be welcoming our friends from Eastside Auto Spa in Cincinnati who will be road rallying to attend that morning. We will then offer the opportunity to all roll together down to Cincinnati where we will check out their cars and a small local collection.

More details soon but save the date and spend the day with us in this Spa to Spa adventure and show of brotherhood and unity as businesses open up fully for the first time in over a year.
